Todos - Docket Number T-03583A-98-0349**

Dear Sir or Madam:

I am writing in response to the letter dated March 14, 2001 in which the Staff requested updated information for its review of Preferred Carrier Services, Inc.'s ("PCS") CC&N Application in the aforementioned docket.

The first request for information asks if PCS wishes to provide service statewide, and if so, to provide affidavits of publication for the remaining counties since we had only provided affidavits for the counties of Coconino, Maricopa, Pima, and Yuma. At this time, PCS intends to only provide service in the counties of Coconino, Maricopa, Pima, and Yuma; however, PCS intend to provide notice in the remaining counties throughout the state and will provide the Commission with affidavits of publication for those counties. The second request by the Staff asks for a proposed tariff with both maximum rates and proposed initial rates to be charged for each proposed service to be offered. PCS proposes that the current tariff on file with the proposed rates be considered both current and maximum rates.

Please feel free to contact me at (972) 404-5437, if you have any questions or require further information. Thank you for your attention to this matter.

Respectfully,

PREFERRED CARRIER SERVICES, INC.
